

## Seniors Month Special

From this special edition, the Newsletter will be published in the second half of each month, not the first week of the month as previously.

Some people in our target age group don't have email and to help them, hard copies of the the Newsletter will now be available at our monthly morning tea. Also, if you would like to help out and you know someone who doesn't have email and would like to see our newsletter, consider printing a copy for them.

August is Seniors month and your local branch event is the Coomalie Seniors Picnic which will be held on Friday 7 August at the Adelaide River Railway Precinct. We are joining with the Adelaide River Community Craft Market in organising this event.

Coomalie Branch of COTANT is working to strengthen the social ties between the two towns in the shire by partnering with other organisations and holding events in both towns. The Seniors Picnic will be a great day, so come along and join in with Coomalie people and with others who will come from Darwin and other parts of the Top End.
