

Who is COTA?

Council on the Ageing (Northern Territory) – known as COTA NT – is the peak body dedicated to representing senior Territorians since 1969.

What do we do?

We help raise awareness of the contributions senior Territorians make to the community.

We provide programs, services and support for senior Territorians.

We administer the NT Seniors Card Scheme in the Northern Territory.

We inform and influence Territory and local government, the business sector and general community to deliver better outcomes for senior Territorians.

How do we do it?

We become part of the groups that have the power to bring about positive change – forums, committees, advisory groups and research bodies.

Why should I join?

Your support helps us to provide more programs, service and support to senior Territorians. By being an engaged member, you help COTA NT become more influential when fighting for better outcomes.
